

EF MARINE – OPERATIONS UPDATE

Over the past two weeks our team in Rotterdam has been working from home and will continue to do so until further notice. Our services continue uninterrupted and will remain at the level as you are used to from us.

Our Singapore office continues to be manned and we are closely monitoring local developments. Albeit that we are strictly following the instructions of the local authorities we will continue to closely monitor the situation and take the necessary (precautionary) measures if so required.
